

Statement on health safety and on the protection of the environment

- For the safety of our employees and to comply with statutory requirements on handling substances harmful to the health and the environment, this statement must be enclosed, fully completed, with each pump sent.
- Without the fully completed statement, repair/disposal is not possible and delays are unavoidable!
- The statement is to be completed and signed by suitably qualified, authorised personnel at the operating organisation.
- In the case of shipment to Germany, the statement is to be completed in German or English.
- The statement is to be attached to the outside of the packing on shipment.
- If necessary, the forwarder has to be informed.

1. Product designation (type): _____

2. Serial number (S/N): _____

3. Reason for sending: _____

4. The blower (please cross the following):

has **not** come into contact with hazardous substances. There will be **no** hazards for personnel or the environment during repair/disposal. Continue with "6. Legally binding statement"

has come into contact with hazardous substances.
Continue with "5. Information on the contamination"

5. Information on the contamination (if necessary provide more information on the back side):

The blower was used in the following application:

and has come into contact with the following classifiable substances or substances presenting a hazard to health/environment:

Trade name, Product name	Chemical designation	Hazardous substance class	Properties (toxic, caustic, radioactive)

The blower has been emptied in accordance with the operating instructions, flushed and cleaned externally.

Safety data sheets in accordance with the applicable regulations are enclosed.

The following safety precautions are necessary for handling (e.g. personal protective equipment):

6. Legally binding statement

I herewith guarantee that the details specified are true and complete and that I, as signatory, am in a position to judge that this is so. We are aware that we are liable to the contractor for any damages arising from incomplete or incorrect specifications. We are obliged to indemnify the contractor against claims for damages by third parties arising from incomplete or incorrect specifications. We are aware that, irrespective of this statement, we are directly liable to third parties - in particular including the contractor's employees tasked with repair/disposal.
